PER CURIAM:

Gloria A. Carlyle appeals the district court's order adopting the recommendation of the magistrate judge and granting summary judgment in favor of the defendants in her action challenging the denial of disability insurance benefits and supplemental security income. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Carlyle v. Soc. Sec. Admin., No. CA-03-629-3 (E.D. Va. July 23, 2004). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
